

SKILL BASED WEBINARS @ IHMH (www.imh.in)

– How is it done? How will you learn, and how will you get certified?

- ❖ 3 modules per webinar, 1 session per module, dedicated to one specialization
 - ❖ Sessions with trainers are held weekly or every two weeks
 - ❖ Duration of the Training – Training duration as per the predefined schedule
 - ❖ Each session is followed by reference learning materials to enhance understanding
 - ❖ Hands-on and results-focused practical expertise learning
 - ❖ Duration of the Course – 40 mins/session - one to four sessions (either combined or separated)
 - ❖ No Assignments Required
-
- ❖ In short
 - ✚ Interactive learning through live webinars (no recorded videos)
 - ✚ In-depth sessions delivering essential work expertise.
 - ✚ The trainer will be an expert in the specific course specialization.
 - ✚ Each session will include orientation, a structured learning program, activities, and a feedback process.
 - ✚ Each session will provide learners with comprehensive knowledge of the topic and train them in the techniques and tools relevant to the module.
 - ✚ Session content is practical and directly applicable, allowing learners to implement their knowledge in practice immediately after the webinar.
 - ✚ Some webinars consist of multiple sessions, either combined or scheduled at different times
-
- ❖ Learning Modality
 - ✚ Highly interactive, featuring a compulsory session at the start of the module for discussion and learning
 - ✚ Expert guides specialized in the specific course area
-
- ❖ Mode
 - ✚ Virtual Learning with Real-Time Interactive Voice Sessions
 - ✚ 24/7 Student Advisor support available through WhatsApp or call
-
- ❖ Materials
 - ✚ Thoroughly researched Learning Materials: Tip sheets, topic resource materials, PowerPoint presentations, and other relevant documents will be provided to participants based on topic requirements.
 - ✚ Extensive Coverage: Includes essential learning for therapy practices, documentation, assessment, reporting, case studies, modern tools, techniques, and vignettes (as needed).
-
- ❖ Modality
 - ✚ Upon registering for the webinar, you will receive an itinerary and trainer detail.
 - ✚ The trainer will conduct sessions according to the designated or chosen time schedule.
 - ✚ Learners will receive their certification within a few days of completing the webinar.
 - ✚ No assignments or assessments are required
